Subject: Draft Paper to review

Dear friends

Attached is a paper on adaptive management and adaptive limits prepared at my request by Marc Ebbin. Due to the urgency of getting you this paper before our meeting, DWR and other state agencies have not had a chance to review it, so please treat it as initial thoughts on this subject. I have asked Marc to join us for the discussion on this subject at our Wednesday meeting. I would also like to discuss at that meeting the question of how to respond to the various letters from the NGOs. A draft letter to them will be sent to you this afternoon. I look forward to our meeting.

Best regards,

Jerry
